# Exhibitor's Regulations

## 1. General Statements

1.1 These Regulations constitute an integral part of the contract.

## 2. Conditions of Participation in Trade Fairs

2.1 The Exhibitor can be any individual or a legal person, presenting an offer that is compliant with the thematic scope of the fairs and is approved by Targi w Krakowie Sp. z o.o. (hereafter referred to as TwK).

2.2 A participation agreement between the Exhibitor and TwK is considered to be concluded after the Exhibitor has paid the registration fee, signed and sent by regular mail or faxed the application form(s) issued by TwK to TwK, and after TwK has confirmed the participant's application by mail, fax, or email. The above-mentioned application is confirmed within fifteen (15) days from delivery of the application signed and stamped by the Exhibitor. Depending on its form of incorporation, the Exhibitor must submit a valid extract from the National Court Register or relevant document issued from the entrepreneurs register.

2.3 An agreement for provision of all additional services by TwK is considered to be concluded after the Exhibitor has signed and sent by regular mail or faxed additional forms prepared by TwK and after TwK has confirmed their possible implementation by regular mail, fax or email. The above-mentioned confirmation is issued within 15 days from receipt of the forms signed and stamped by the Exhibitor.

2.4 The Exhibitor's right to participation in trade fairs can be withdrawn if:

a) the participation fee is not paid by the deadline stipulated in the application form;

b) these Regulations are not respected.

In the above-mentioned cases and if TwK wishes to pursue the above-mentioned right, it will issue an agreement termination statement for the Exhibitor without notice and it will have the right to demand payment of any participation fees or damages by the Exhibitor.

2.5 TwK may refuse to confirm an application without providing any reasons. In such cases, it will notify the Applicant about its refusal in writing and within fifteen (15) days of the application's receipt.

2.6 Should TwK refuse to accept the application, the Applicant is eligible for the refund of all affected payments. However, the Applicant is not eligible for any claims due to the refusal.

2.7 In the event that the Exhibitor does not effect all payments due for trade fairs organization to TwK before the event is finished, TwK reserves the right to keep the Exhibitor's exhibits and other movables which are located at the Exhibitor's stall and to establish a lien on them until the Exhibitor effects all outstanding payments. The Exhibitor shall renounce any claims arising in connection with the above-mentioned proceedings taken by TwK.

## 3. Deadlines and Terms of Payment

3.1 The level of payment for participation in particular events is defined by TwK. Charges include non-refundable registration fee and fees concerning orders included on the application form and additional forms, and cover the period of event preparation, duration and closing.

3.2 After the agreement has been concluded (par.2.2) full amounts of charges must be paid. The documents sent to TwK should include a copy of payment confirmation. There is also the possibility of payment by installments upon receiving TwK's written approval and according to the following scheme:

- full gross non-refundable registration fee paid together with submitting the application (condition for confirming the participation and having a stall allocated)

- 45 % of the full gross amount paid as an advance payment together with submitting the application;

- the remainder of the gross payment together with the VAT payable prior to occupying the exhibition stall by Exhibitor.

3.3 Occupation of a stall is conditional upon providing proofs of all payments or selling them on immediately at TwK's cashier's office.

## 4. Withdrawal and Resignation from Participation in Trade Fairs

4.1 In the event that the Exhibitor submits a written notification of its resignation in participation no later than 60 days before the event's opening, it will be eligible for refunds of amounts exceeding the amount of advance payment defined in 3.2. Refunds and over-payments will be effected within 30 days after the fair's closing.

4.2 If the resignation takes place within a period shorter than 60 days before the date of the event's opening or in the event that the Applicant does not occupy a stall, the Applicant shall not be entitled to a refund of the amounts paid. TwK has the right to claim the full amount of the participation fee unless it has earlier been paid.

4.3 An Exhibitor who does not occupy a stall or resigns from participation in the trade fair as defined in 4.2 shall pay the full amount of payments resulting from orders placed and cover all documented expenses that TwK has incurred in connection with its application and subsequent resignation from participation in the trade fair or leaving the stall unoccupied.

4.4 Resignation from participation in the trade fair by the Exhibitor should be submitted in writing and either sent by registered post or delivered to TwK's office. For the purposes of 4.2 and 4.3 of the Regulations above the date of resignation is considered to be either the date of the post mark in the case of a registered letter or the date of submission at TwK's registered office.
